

WHITWORTH
AN EDUCATION OF MIND AND HEART

MUSIC SCHOLARSHIPS

The Whitworth Music Department offers over \$200,000 in music scholarships to new and returning students. These scholarships are offered in increments of \$1,000, and are based on talent, regardless of one's chosen major. Private lesson scholarships are also available within each discipline. **If you accept a music scholarship, you will be required to audition for and participate in one of Whitworth's fine performing ensembles, and to take private lessons in your area.**

In addition to music scholarships, you may be eligible to receive other types of financial aid and scholarships from Whitworth University. To qualify for scholarships and grants through the university you must demonstrate either high academic ability or financial need. Academic scholarships range from \$7,000 to \$14,000 based on high school GPA, test scores, and class standing. There are also music talent scholarships available which are based on financial need. Please contact the financial aid office or your admissions counselor for more information.

AUDITION DATES AND PROCEDURE

The Whitworth Music Department will be conducting live scholarship auditions for new students the weekend of February 19 - 21, 2010. Please submit your online application at www.whitworth.edu/music under scholarship auditions. **All auditions are scheduled through the music department at 509.777.3280.** Live auditions are preferred; however, CDs or high bias tapes are accepted. Tapes or CDs should be received prior to the audition weekend to be reviewed by the scholarship committees. If you receive this form after the audition dates, please contact the music office to see if you would still be eligible for scholarship money.

The awarding of scholarships depends on many factors. Please complete a FAFSA (Free Application for Federal Student Aid) for the fullest consideration of financial awards at Whitworth University.
