## Quetzaltenango, Guatemala (“Xela”)

It is situated near several volcanoes in the heart of the Sierra Madres, with an altitude of 2333m (8000 ft) above sea level that provides warm days and cool nights. Students will attend 3 weeks of intensive Spanish conversation, culture and history at Casa Xelajú language school. Classes will be held 5 hours a day, 5 days a week and conducted in a one-on-one format with an instructor

who will work with each student according to his/her level of proficiency.
