

DELE: Diploma of Spanish as a Foreign Language

Offered at Whitworth University Biannually!

This test provides an official accreditation of a student's degree of fluency in the Spanish Language. This accreditation is issued by the Spanish Ministry of Education and is an internationally recognized certification. The test provides students an official means to demonstrate their level of fluency to potential employers. It measures fluency and accuracy across the four areas of reading, writing, listening, and speaking. Students interested in taking the DELE must take the online placement test to determine which level is right for them. The placement test can be found at http://ave.cervantes.es/prueba_nivel/default.htm. Students should make a well informed decision in this regard as it is a PASS/FAIL assessment. Please note that the faculty at Whitworth University is currently certified to offer the B1, B2, and C1 exams. Students wishing to take other levels may do so at other testing sites.
