What is Service-Learning?

Service-Learning is a teaching approach integrating academic instruction with community service that engages students in civic responsibility, critical and creative thinking, and structured reflection.

This Service-Learning Project LEARNING AGREEMENT is designed to:

- Assist the student and agency in understanding the learning objectives for the course.
- Clarify the activities in which the student will be involved at the agency in relation to the learning objectives.
- Insure that both the student and the agency are aware of their responsibilities as partners in this service-learning project.
