Graduate/Professional PLUS Loan Request Form for 2009/10

This is not a promissory note.

Graduate students who want to borrow a Federal Direct Graduate PLUS Loan must file a 2009/10 FAFSA. Students must have their eligibility determined for the Stafford Loan Program and benefit from the Stafford Loan Program before applying for this loan.

This loan, unlike the Stafford Loan Program, requires the borrower to show "credit worthiness" as defined by the Federal Direct PLUS Loan Program. Students are also required to complete a separate PLUS Master Promissory Note and Entrance Loan Counseling for both the Stafford and PLUS Programs. Students can borrow up to the difference between their costs of attendance, as determined by Whitworth, minus any other aid received.
