

Student Web VPN Connection

You will need to be off campus to access the webvpn. Please use the Internet Explorer browser and go to <https://198.29.2.4> and login with your network username and password:

Whitworth University WebVPN

Login

Please enter your username and password.

Username

Password

Login

Clear

From there you will need to enter in the network path of [\\stu-file](#) to be brought to the student server:

Whitworth University WebVPN

[If the Floating Toolbar does not open, click here to open it.](#)

[Start Application Access](#)

Websites

[Browse Network](#)

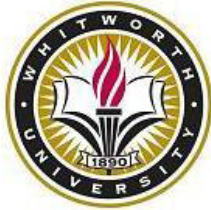

[HomeDrives](#)
[Department](#)

[Campus](#)

Enter Network Path

For example: \\server\share

You should see all the shares available to the students; however you will only have access to what you normally have access to. Your homedrives will be listed under the “Students” folder:

Whitworth University WebVPN

Browse Network

Enter Network Path

For example: \\server\share

[Back to Domains/Workgroups](#)

Server: stu-file Shares
