

2009-10 Whitworth University Honor Roll of Donors

Listed here are the names of donors who have achieved significant lifetime-giving milestones, have notified us of an intent to include Whitworth in their wills, or have made a gift of \$250 or more in the fiscal year ended June 30, 2010. All gifts to Whitworth are appreciated, and the names of every fiscal year 2010 donor are listed in the online version of this document at www.whitworth.edu/annualreport. However, by including an abbreviated list of annual donors in this printed honor roll, we are saving a significant amount of paper. We hope you will appreciate Whitworth's effort to be a good steward of God's creation as well as a good steward of its relationships with donors.

If you have questions about this report, or if your information is printed incorrectly, please contact the Whitworth Office of Institutional Advancement at 800.532.4668.

Hardwick Associates

The Hardwick Associates group is the namesake of Dean Francis T. Hardwick, who established his legacy at Whitworth as a beloved leader, scholar and mentor in the 1930s and '40s. Many recognize his name from the Hardwick Union Building, which stood on campus from 1958 to 1995. Hardwick Associates gave between \$500 and \$999 during the past fiscal year.
