International Internship Agreement

Students wishing to participate in an international internship must meet with the Off-Campus Studies Office for direction and to complete their required paperwork. Students cannot gain credit for work done in a country under a travel warning. The link to the warning is:

http://www.travel.state.gov/travel/cis_pa_tw/tw/tw_1764.html

Students will also be denied credit if they fail to meet with the Off-Campus Studies Office before leaving on their internship.

This certifies that _____ (student's name) is planning to participate in an international internship in _____ (Country) during _____ (semester and year). Student has met with a representative from the Off-Campus Studies Office and has satisfactorily completed their required paperwork and has checked their location on the travel warning site.
