Crimson Club

THE CRIMSON CLUB

- The Crimson Club was established solely for the purpose of generating financial and other support for the Whitworth University Athletics Department. All donations are tax-deductible minus membership benefits.

- The primary benefits of Crimson Club membership, aside from knowing that you have helped Pirate Athletics, are reserved parking for football and basketball games and monthly press releases on current sporting events.

- Monies received by the Crimson Club assist principally with senior athletics awards, the Heritage Gallery, and other athletics projects. Contributions are necessary to build and maintain a high-quality athletics program. Over the past 11 years the Crimson Club has presented more than 700 awards to deserving senior athletes from all sports. The club is proud of this accomplishment and seeks your participation in this tradition.

METHODS OF GIVING

- **Cash Memberships** are by far the most common method of giving; they provide immediate help for Whitworth Athletics. Membership benefits begin at a minimum of \$125.
- **Corporate Matching Memberships**, offered by many companies, can double or even triple the amount of an employee's contribution and raise his or her membership-benefits level. Check with your employer or with the Whitworth Institutional Advancement Office, 509.777.4343, to see if you qualify for this benefit.
- **Gifts-in-Kind** of equipment or services that would otherwise have to be purchased can greatly reduce Whitworth Athletics Department expenditures. Examples of such gifts are food, hotel rooms, gasoline, printing, courtesy cars, etc.

MEMBERSHIP LEVELS AND COSTS

NON-BENEFITS MEMBERSHIP: Enter amount _____; or circle one \$100, \$250, \$500, \$1,000
