	12:00 PM	56 earned credits or more			
	1:30 PM	55 earned credits or more			
	3:00 PM	54 earned credits or more			

The day before your assigned registration time:

- Go to the Pirate Port, WhitNet, then the Web AR Statement & make sure you don't have a Business Office hold, it will prevent you from registering.
 - Go to WhitNet, Registration, Register for Sections, Search and register for sections. This will allow you to add classes to your Preferred list on Whitnet. When it is your time to register, go to Register for previously selected sections to complete your registration.
OR
Go to Student Planning, go to "Courses & Sections" and select "Add section to schedule" for each section you would prefer. When it is your time to register, go to "Plan & Schedule" and select "Register Now" to register for previously selected sections.
- * Access to early registration is based on the total number of earned credits, check WhitNet or Student Planning for your number of earned credits. (Earned credits consist of any courses taken before spring 2017 or half semester courses that have been graded for which you received credit, but does not include credits still in progress during the spring semester.)
- * WhitNet and Student Planning will time out after 10 minutes if you are not actively working in it, so don't log on too early.
- * Need help using WhitNet, see a lab assistant in the computer labs in the Library. For help with Student Planning contact Registrar's Office at 777-3205. If you need your password, use the "Password Manager" function on Pirate Port or contact the help desk at 509-777-3911.

NOTE: Students who want to sign up for Music lessons must do so in the Music Office.

NOTE: If you are registering for a varsity sport or variable credit course, you will be required to enter the credit value you want on the WhitNet or Student Planning screen. If you need assistance with changing credits, please call the registrar's office at 777-3205.
