The day before your assigned registration time:

- Go to the Pirate Port, Self-Service, Student Planning, then Plan & Schedule and make sure you don't have a Business Office hold, it will prevent you from registering.
- Go to Self-Service, Student Planning, go to "Courses & Sections" and select "Add section to schedule" for each section you would prefer. When it is your time to register, go to "Plan & Schedule" and select "Register Now" to register for previously selected sections.
 - * Access to early registration is based on the total number of earned credits, check Self-Service for your number of earned credits. (Earned credits consist of any courses taken before spring 2024 or half semester courses that have been graded for which you received credit, but does not include credits still in progress during the spring semester.)
 - * Need help using Self-Service, see a lab assistant in the computer labs in the Library. If you need your password, use the "Password Manager" function on Pirate Port or contact the help desk at 509-777-3911.

NOTE: If you are registering for a varsity sport or variable credit course, you will be required to enter the credit value you want on the or Student Planning screen. If you need assistance with changing credits, please call the registrar's office at 509.777-3205.
