CLASSROOM EXPERIENCE **Student Teacher**, John R. Rogers High School, Spokane Public Schools, Spokane, Washington, August 2017 - June 2018

9th grade Health & Advanced Conditioning

- Assisted students in developing individual conditioning programs to meet personal goals and abilities
- Developed an integrated unit to track dietary habits to encourage healthier eating choices
- Lead a unit on sexual health and reproduction from which 90% of students met learning objectives at or above 85% as assessed by an objective, multiple choice, True/False and short essay exam adapted from district curriculum
- Discussed the dangers of violence, peer pressure, and the importance of health and hygiene

10th grade Lifetime Fitness & Weights

- Planned and utilized ability-based lessons
- Introduced physical fitness activities that encouraged sportsmanship, developed teamwork and motivated students to live an active lifestyle
- Taught students how to work with others through team building activities such as the human knot, relays, and the action name game

Intercultural Field Experience, John Swett Elementary School, San Francisco, California, April 2018

Kindergarten – 6th grade Physical Education

- Prepared and implemented culturally responsive and age appropriate physical education lessons
- Developed and taught a lesson on badminton from which, based on a formal assessment, 100% of students learned the rules, shots, and stance
- Assisted in organizing and supervising annual *Jump Rope for the Heart* community fundraising event for The American Heart Association
