

Enrollment in DUO

When you log into a website that is a part of our SSO(Pirate Port, O365, Blackboard....) You will see our standard login where you enter your network credentials

Whitworth University
Single Sign On

Username

Password

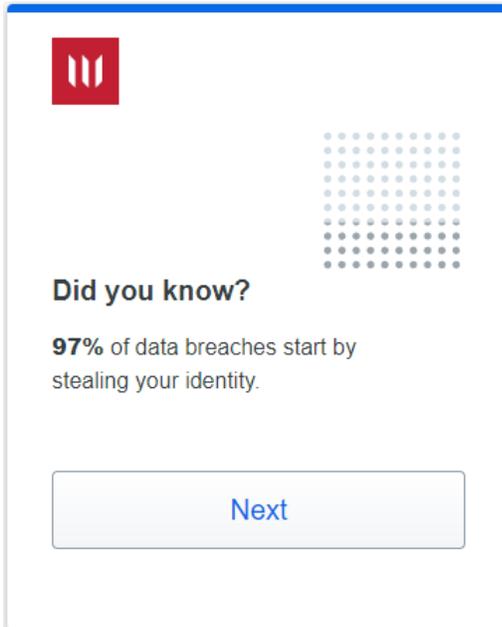

You will then be directed to enroll in DUO for the first time and will need your cell phone with you

Welcome to
Duo Security

Let's set up an account to protect your identity.

The following screens will popup for general awareness of why we are using DUO. Please read them and click next

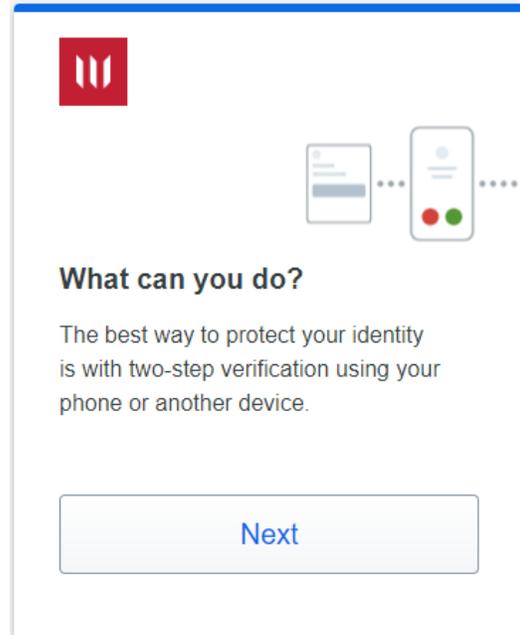

This screenshot shows the 'Did you know?' screen. It features the red logo in the top left corner. To the right of the text is a grid of 40 small blue dots. Below the text is a light blue button with the word 'Next' in blue.

Did you know?

97% of data breaches start by stealing your identity.

[Next](#)

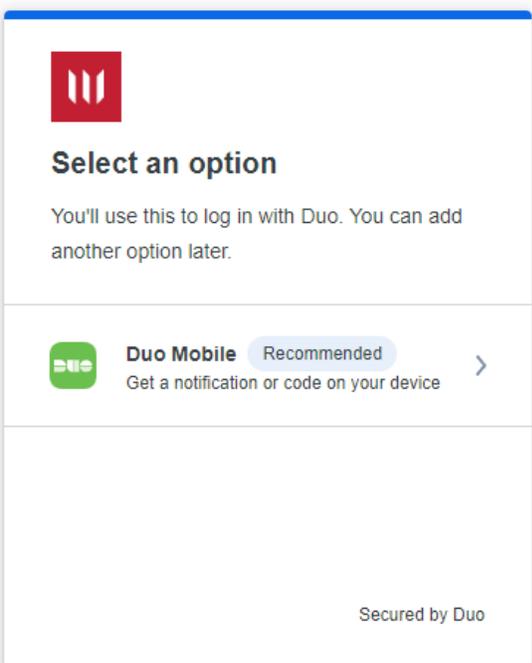

This screenshot shows the 'What can you do?' screen. It features the red logo in the top left corner. To the right of the text is an illustration of a smartphone and a tablet connected by dotted lines. Below the text is a light blue button with the word 'Next' in blue.

What can you do?

The best way to protect your identity is with two-step verification using your phone or another device.

Then the enrollment process will start. Please click the DUO Mobile and enter your phone number

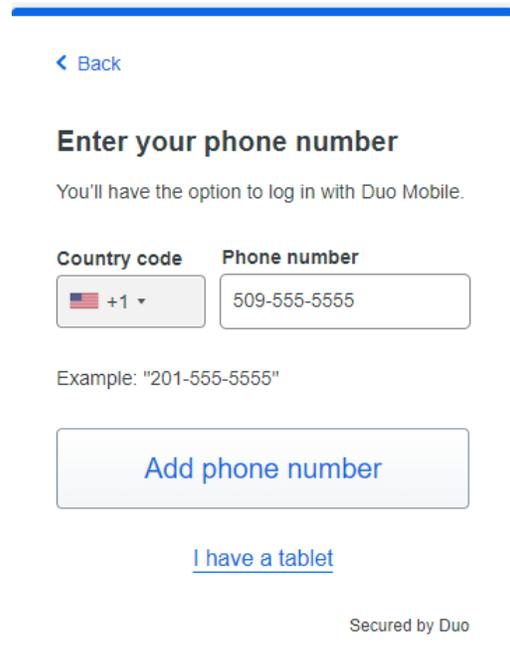

This screenshot shows the 'Select an option' screen. It features the red logo in the top left corner. Below the text is a selection card for 'Duo Mobile' with a 'Recommended' badge and a right-pointing arrow. At the bottom right, it says 'Secured by Duo'.

Select an option

You'll use this to log in with Duo. You can add another option later.

 **Duo Mobile** Recommended >
Get a notification or code on your device

Secured by Duo

This screenshot shows the 'Enter your phone number' screen. It features a blue '< Back' link at the top left. Below the text are two input fields: 'Country code' with a dropdown menu showing '+1' and a US flag, and 'Phone number' with the value '509-555-5555'. Below these is an example string and a large light blue button labeled 'Add phone number'. At the bottom, there is a blue link 'I have a tablet' and the text 'Secured by Duo'.

[< Back](#)

Enter your phone number

You'll have the option to log in with Duo Mobile.

Country code **Phone number**

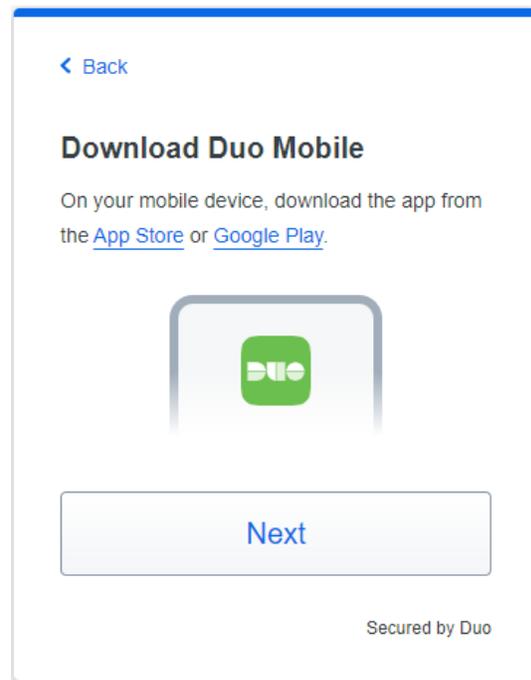

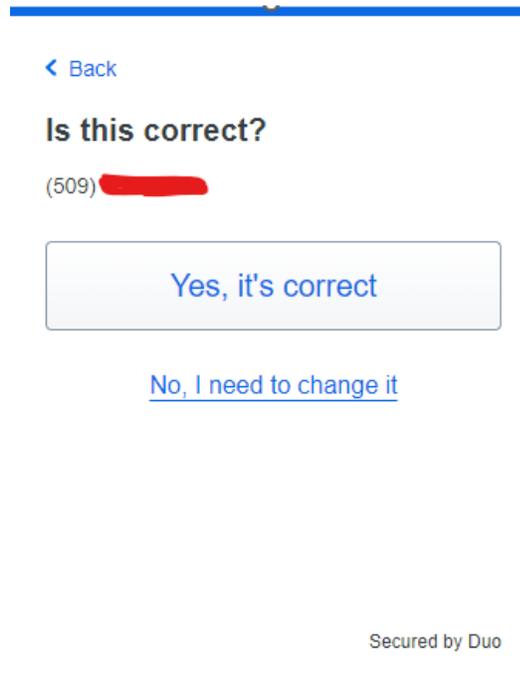

Example: "201-555-5555"

[Add phone number](#)

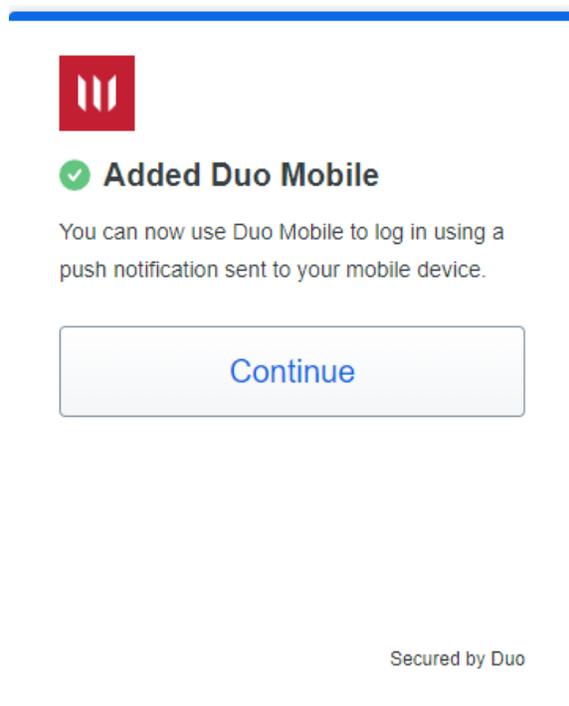

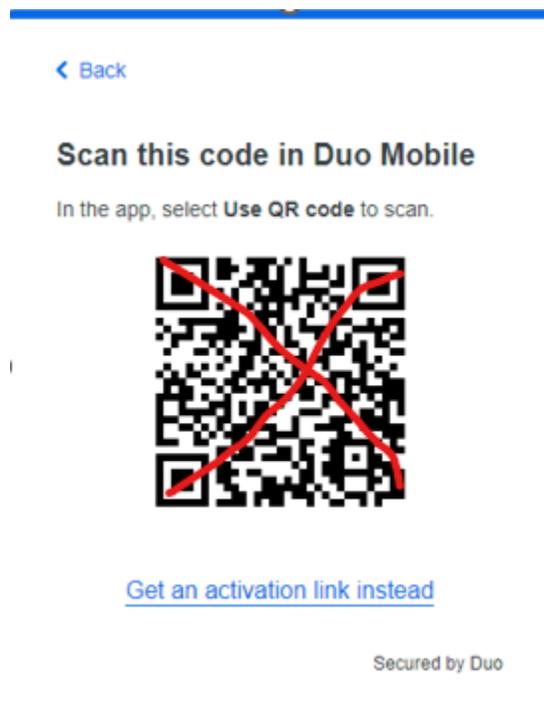

[I have a tablet](#)

Secured by Duo

You will be prompted to verify the number you entered and then asked to download the Duo Mobile app to your cell phone via the App Store or Google Play

Once you have the app installed on your phone, click next. You will get a QR code to use for easy setup. Open the DUO Mobile app and click add, chose Use QR code and scan this QR code. It will let you know when it as been added.

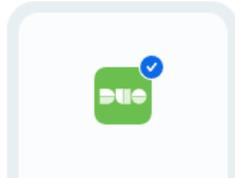

You are now enrolled in DUO and can log into the Whitworth SSO

Setup completed!

You're ready to log in with Duo.

Password

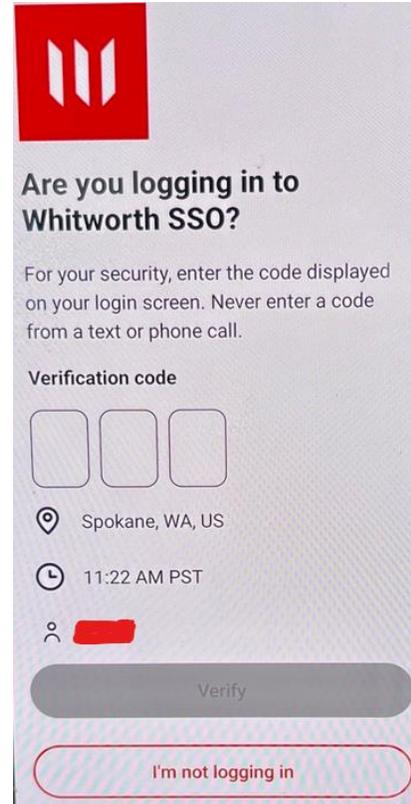

Logon

If you are already enrolled in DUO (most staff and students are) you will get the following window and a notification sent to your cell phone in your DUO app where you will need to enter the 3-digit code

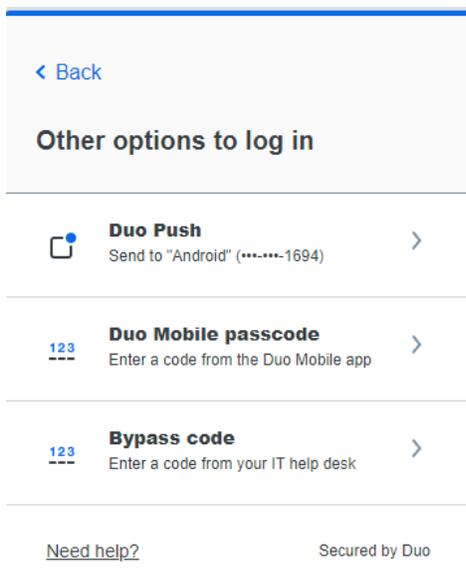

Browser

Phone

If you do not use the DUO app, you can choose more options on the browser window and select the option that works for you

Once you have successfully entered in your code you will see the final window and then your SSO website
