

FLEXIBLE SPENDING ACCOUNT (FSA)

with grace period

An FSA empowers you to set aside pre-tax money from every paycheck to help pay for qualified medical expenses. Choose a HealthEquity FSA and unlock these amazing benefits.

PUT MORE MONEY IN YOUR POCKET

Each dollar you contribute to your FSA is tax-deductible.¹ That means you could potentially save as much as 30 percent or more on qualified medical expenses.² Don't think of it as money deducted from your paycheck—think of it as money added to your wallet.

GET YOUR MONEY RIGHT AWAY

Let's say you plan to contribute the IRS maximum to your FSA. You'll have access to the entire amount on the first day of the plan year. Take advantage. Spend now, contribute later.

ENJOY AN EXTRA GRACE PERIOD

Don't worry about spending all your FSA dollars by the end of the year. Your organization gives you up to 2.5 extra months at the end of the plan year to spend your FSA funds.³ Stay flexible and contribute with confidence.

SPEND BEYOND THE DOCTOR'S OFFICE

Even though your FSA doesn't rollover, most members spend all their FSA dollars before the year ends. That's because you can use FSA dollars to cover a huge list of qualified medical expenses, including over-the-counter meds and menstrual care products.⁴

Know your options

- FSA elections can only be made during open enrollment (unless you have a qualifying life event)
- Choose the amount you want to contribute, then your employer will deduct that amount pre-tax in equal parts from each paycheck over 12 months
- Verify your exact grace period with your organization

MAYBE YOU'VE HAD AN FSA BEFORE, BUT YOU'VE NEVER HAD AN FSA LIKE THIS
