Reporting Scores:

Since this league is not officiated, players must report scores by themselves. This can be done online at the Whitworth IMleagues page. (IMLeagues app support coming soon!)

Basics of the game:

- The game is 3-on-3 first to 21 by ones and twos, win by two points
- Possession ALWAYS alternate after a made basket
- The ball MUST be checked in to play, then Passed in to another offensive player.
- **CALL YOUR OWN FOULS. BE HONEST!**
- Judgment calls are to be solved by a coin flip between the two players involved.
 - Out of bounds, last touched by... etc.
- Substitutions can only be made while the ball is dead.
 - After the ball has been scored, when the ball is out of bounds, before the "check-in."
Once the ball is checked in, it is live and no substitutes are allowed.
- Teams are awarded one timeout per game. Timeout can only be called by the team in possession of the ball.
- Clearing the ball: The ball must be cleared by the defense before the defense can score the basketball. On a defensive rebound, the ball must be passed to a teammate beyond the 3-point line to be successfully "cleared."
 - The ball may be played by the defense **without** clearing the ball if the shot does not contact the rim, net or backboard on the attempt.

Key concepts to remember:

This league is NOT officiated. All disputes are to be settled calmly and professionally. If players are incapable of settling disputes calmly and diplomatically, the league will be dissolved and no refunds will be available.
