

graduation application *instructions*

Navigate to the application in Self Service under the Graduation Overview Menu:

<https://collss.whitworth.edu/Student/Student/Graduation>

Review your listed academic program and make sure it is correct. If it is missing a major or minor you are completing or your program includes a major or minor you are not completing, please do not apply yet and email academicprogress@whitworth.edu for assistance.

Once in the application, you will select the term in which you'll complete your degree (2025 Fall, 2026 Jan Term, 2026 Spring or 2026 Summer).

Enter the name you want printed on your diploma - this will also appear in the commencement program and be the name called out at commencement.

If you are completing more than one major, indicate which major you want to walk with and sit with at commencement.

List your hometown and state or province for printing in the commencement program. Please fully spell out the name of the state/province. (e.g. Spokane, Washington or Phoenix, Arizona)

Select if you *will* or *will not* attend the commencement ceremony in May.

Enter an address you would like your diploma mailed to. Note that **diplomas are not sent until 6-8 weeks** after you complete your degree. Pick an address that will be good at that time (that isn't necessarily where you are living right now).

Enter any **accommodations you as the graduate** may need during the commencement ceremony. Please do not include commencement guest accommodations.
