

Registration Information

2027 Jan Term, Spring & Summer

Schedule & Registration

Registration for Jan Term, Spring, and Summer 2027 classes begins Monday, Nov. 9, 2026. Registration will open at 9:00 a.m. and 1:00 p.m. each day.

The schedule of classes will be available to view and plan in Self-Service beginning Monday, Oct. 26, 2026 at 9:00 a.m.

When Should I Register?

The day and time you register depends on the number of credits you have already completed. You can find your total completed credits at the top of your [Program Evaluation in Self-Service](#). Look for the dark green bar under "Total Credits." After determining how many completed credits you have, use the [Registration Schedule](#) to find your registration day and time.

What Do I Need to Do Before Registration?

Meet with your advisor to plan your classes and review your progress toward graduation. Your advisor must clear your advisor hold before registration.

Check for holds on your account. Go to [Plan & Schedule in Self-Service](#) to make sure you've cleared all holds. If you have any holds, they will appear at the top right-hand side of the page.

- If you do have a hold, contact the designated person or department.
- If the only message you see is, "You cannot register at this time, please check the registration timetable," you are good to go! This will disappear once it's your time to register.

What if I Can't Register for a Class in Self-Service?

Some classes require additional approval because of prerequisites, restrictions, instructor consent, seat availability or academic overload.

- Faculty must use Self-Service to grant instructor consent and waive course requisites. Add & Drop forms are not accepted when permission can be granted online.
- If additional approvals are required that cannot be processed through Self-Service, you'll need to submit a completed Add & Drop Form to the Office of the University Registrar in McEachran Hall (open 9:00 a.m.-4:00 p.m., Monday-Friday)

Tips for Smooth Registration

- **Practice using Self-Service.** Need some extra help learning how to use Self-Service (how to register, plan future terms and troubleshoot issues)? The Academic Progress Team will host Self-Service Workshops on Oct. 26 at 3:00 p.m. in Weyr 111 & Oct. 28. at 10:00 a.m. in the Library Classroom.
- **Check your plan.** Class details sometimes change before registration opens on Nov. 9.
- **Have backup classes ready.** If your first choices fill up, you'll want to have alternative classes ready to go.
- **Seniors:** Double check your remaining requirements with your advisor to make sure your classes will meet all your remaining requirements.
