

DIRECT DEPOSIT AUTHORIZATION FORM

Whitworth University has chosen to use Direct Deposit as the **only method** to process salary payments for its employees. In this method, the Payroll Office deposits your salary directly into your checking and/or savings account and issues an electronic **Advice of Payment** report notifying you of the details of your payroll. You can request that we divide and send your salary to as many bank accounts as you need. You may view/print your electronic Payroll Advice via Whitnet, under the employee profile link, one to two business days before payday; but your funds will be available the actual pay date listed on your advice.

The bank requires 7-10 days to set up your first direct deposit. If you are unable to submit this form 10 days prior to payday, your first payment may be issued via check and will be available at the Cashier's window on payday.

To set up a new direct deposit, please complete the box below and return this form with your contract or directly to the Payroll Office (payroll@whitworth.edu) as soon as possible. **If after your direct deposit is set up circumstances arise which cause you to close your bank account, please notify the Payroll Office as soon as possible. Direct deposits returned due to closed accounts may result in salary payments delayed until the next pay cycle.**
