Whitworth University currently participates in the Yellow Ribbon Program for 2020-21 academic year under the Post 9/11 GI Bill® (authorized under title V of the Public Law 110-252). This program is for 100-percent eligible Post-9/11 GI Bill® students. In the agreement with the Department of Veterans Affairs (VA), Whitworth and the VA will each pay 50-percent of the remaining balance\* above the maximum tuition & fee reimbursement per academic year to allow eligible students to attend Whitworth with their tuition and fees paid\*\* for the length of their entitled months of educational benefit.

\*Whitworth's maximum contribution paid to the student per year is \$12,000 for undergraduate students and \$5,000 for graduate students. While this maximum is rarely reached, the amount is included in the agreement.

\*\*Per VA rules, fees are mandatory charges (other than tuition, room, and board) applied by the school for pursuit of an approved program of education. Fees include, but are not limited to, health premiums, freshman fees, graduation fees and lab fees. Fees do not include study-abroad course(s) unless a course is a mandatory requirement for completion of the approved program of education.
